

Captain Jon Webster has been fishing on the Chesapeake Bay region for over 34 years and will work hard to make your trip enjoyable. I prefer to chase Redfish, Speckled Trout, Striped Bass, Bluefish, Spanish Mackerel, and Cobia on light Tackle using artificial lures. However, I realize that everyone's skill level varies based on age and experience so quite often I will design a trip around the target audience that is going. I use the best equipment and tackle available and will try my best to find fish to make your day successful. I also offer Sunset cruises, private trips to local Islands, Beaches, and Light Houses etc. so please let me help make your experience a good one.
